Derbyshire

23rd December 2009

Dear Brian,

A very big "Thank you" for all your help, involvement and support at our Carol Concert on the 13th December. The open and FREE! Bar certainly went down well – I think some of the members of the Silver Band will take till New Year to recover! The Young farmers thought Christmas had arrived early and your generosity certainly warmed the hearts of many of our regular visitors.

Please also pass our thanks to Duncan – who cheerfully stayed and gave the young farmers an afternoon to remember – I think we are guaranteed of their help next year.

I do hope the afternoon proved worthwhile for you too – if we can help with any of the contact details etc. for the young farmers, please don't hesitate to ask.

Once again thank you for making this years' Carol Concert one to remember.

Kindest Regards

Everyone at the Farming Life Centre
